MAKING KINGDOM FRIENDS

INTRODUCTION AND INSTRUCTIONS

1. Disc Content and Installation

- a. **Purpose:** This set of five DVDs is designed to provide conference leaders, church pastors, and some institutions with the tools needed to:
 - i. Identify those willing to serve as members of an Outreach Leadership Team (OLT),
 - ii. Train OLT members to build, enhance, and document personal relationships with "Kingdom Friends," or those who may be interested in the message God has entrusted to this Remnant Movement,
 - iii. Help each OLT plan and implement a continuous cycle of network-building and evangelistic reaping events, and
 - iv. File a report about the team's pre-campaign activities and reaping events.
- b. **Content:**
 - i. **#1 Overview (Disc 2):** Introduces pastors to the essential elements of a lay-based and pastorally-led evangelistic cycle.
 - ii. **#2 Biblical Call and Mandate (Disc 3):** Message delivered by the pastor designed to identify members who are willing to adjust personal priorities to be involved in personal and/or public evangelism.
 - iii. **#3 Introduction to ShareHim (Disc 3):** An overview of ShareHim and the resources available to OLT members and lay preachers.
 - iv. **#4 Building Personal Evangelistic Relationships (Disc 4):** An explanation of how to build and document Kingdom Friends.
 - v. **#5 Networking and a Cycle of Evangelism (Disc 4):** Why and how to build a network of Kingdom Friends and how this is part of an evangelistic cycle.
 - vi. **#6 Preparing to Preach (Disc 2):** A step-by-step guide for a first-time speaker leading out in a reaping event. This process has

been used successfully by ShareHim to train around 10,000 lay-evangelists.

- vii. **#7 Do's and Don'ts of Preaching (Disc 1):** Elements of successful preaching and a demonstration of the most common mistakes.
 - viii. **#8 Coaching Practice-Preaching Demonstrated (Disc 1):** (Begins at end of #7) Demonstration of how pastors can coach team members in their first practice-preaching experience.
 - ix. **#9 Fundamentals-1: The Gospel and Evangelism (Disc 5):** A presentation basic to understanding how the gospel is a vital part of every truth taught by this Movement.
 - x. **10 Fundamentals-2: Eternity's Detour (Disc 5):** A presentation highlighting the Great Controversy theme and the central role it plays.
- c. Installation:**
- i. Inserting Disc 1 into the computer launches an automatic process which installs the Presentation Synchronizer software (and places an Pres. Synch icon on your desktop), all the PowerPoint presentations and the video clips embedded in those PowerPoint presentations. (Only presentations #7 and #8 include embedded video clips.)
 - ii. To play a video segment on any disc other than disc 1, simply insert the disc in the computer, or any DVD player, and select the desired presentation.
- d. Instructions to launch PowerPoint presentations:** Presentation Synchronizer is the synchronization software ShareHim uses for all PowerPoint-based evangelistic sermons. It makes it possible for the speaker to see the notes *and* graphics on the laptop screen while showing the audience only the graphics through a projector.
- i. For comprehensive video instructions go to: www.sharehim.org, Select "Information and Training Videos."
 - ii. There are two places for written instructions:
 - (1) Go to www.sharehim.org, select "Resources," and then select the second item on that page titled, "Presentation Synchronizer User Guide" and click on "User Guide."
 - (2) You can also go to: www.sharehim.org/homeland-resources and there you will see a document titled "How to Load and Run PPT Presentations.pdf."

2. Suggested Training Schedule

- a. Supplies:** Download or order supplies in advance.
- i. **Prayer and Friendship Booklet** — To order, pastors log in to the website and under Resources, select, "Order Prayer and Friendship

Booklets." Order one for each team member.

- ii. **Team Commitment Card** — To download, go to www.sharehim.org/homeland-resources. Print enough to give one to each person who responds to your call on Sabbath morning.
 - iii. **Notes for Sermon #5** — Download from the homeland resource section you used above. Print and staple a copy for each of the team members. They will need it in the afternoon training program.
 - iv. **Long-Term Evangelistic Planning Sheets** — Log in, and under "Boot Camp Preparation," select "Print Long-Term Planning Sheets." That will print out a sheet for each church in your district. We suggest you print the set twice so one can be a worksheet and the second one can be a final copy.
 - v. **Computers** — Prepare one or more computers to accept applications.
 - (1) If you have internet access where you are doing training, the applicants should 1) Go to www.sharehim.org, 2) Select "Application Form" from the menu, 3) Select "Homeland" 4) Select "Conference Staff or Pastor" 5) Complete personal information, paying special attention to required fields with a red dot, the date format that is required.
 - (2) If you do not have internet access at the training location, you will need to install information on your laptop in advance. Individuals can complete an application form, then you can upload that data when you have internet access. To do the off-site installation, please login. In your main menu under the word "Logout," you'll see a help key. Click it to find the offline setup instructions.
- b. Weekend 1** (Announce this full-day program at least a week before.)
- i. **Sabbath 11:00 AM: #2** Biblical Call and Mandate. Use presentation #2 on the PPT notes and graphics installed on Disc 1. Invite team members to stay after lunch.
 - ii. **Sabbath 1:45 - 2:45 PM: #3** Introduction to ShareHim. Use pres. #3, Disc 1.
 - iii. **Sabbath 3:00 - 3:45 PM: #4** Building Kingdom Friends. Use pres. #4, Disc 1. Distribute Prayer and Friendship Booklet and Training DVD at the close. At the same time distribute a copy of the notes for sermon #5.
 - iv. **Sabbath 4:00 - 5:00 PM: #5** Networking and Cycle of Evangelism. Use pres. #5 from Disc 1.
 - v. **Sabbath 5:00 - 6:00 PM:** Team initial planning session. Distribute copies of the Long-Term Planning Sheets. Objectives:
